**RE: ENDORSEMENT OF THE ASEAN QUALIFICATIONS REFERENCE
FRAMEWORK (AQRF) REFERENCING REPORT OF INDONESIA**

Dear Sir,

On behalf of the AQRF Committee, I am pleased to convey to you the endorsement of the Committee of the AQRF Referencing Report of Indonesia.

Following the extensive processes of feedbacks and responses from other ASEAN Member States, particularly during the recent 7th AQRF Committee Meeting held on 28-30 October 2019 in Yogyakarta, Indonesia, as well as the further intersessional exchange of clarifications and responses to Indonesia's revised AQRF Referencing Report submitted on 15 November 2019, ASEAN Member States have then endorsed the Report on 9 December 2019.

We would like to congratulate Indonesia for this achievement, and as agreed at the meeting, we look forward to receiving Indonesia's notification of your finalised and published AQRF Referencing Report, including taking into account various positive inputs from other ASEAN Member States and the finalised post-referencing Criteria 9 to 11, at the soonest opportunity.

With warm regards,

Megawati Santoso
Chair, AQRF Committee

Vice-chair, AQRF Committee
